

mouse\_insert\_in\_packet

```
graph LR; A[mouse_insert_in_packet] --> B[convert_to_2sComplement]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'mouse\_insert\_in\_packet'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'convert\_to\_2sComplement'.
